

ALLEN AVENUE IMPROVEMENTS OPEN HOUSE

Mark your calendars for the Allen Avenue open house!

When: Thursday, February 27, 2020 from 6:00-7:30 p.m.

Where: Little Canada City Hall – 515 Little Canada Road

What: The purpose of this open house is to discuss the final design components for the Allen Avenue Improvements Project. This open house will be an opportunity to learn more about the proposed improvements and to ask project staff any project-related questions.

What work will be occurring?

- Storm sewer improvements
- Concrete walk construction
- Retaining wall construction
- Tree removal
- Monument sign relocations
- Boulevard grading
- Spot curb and gutter replacement
- New asphalt surface
- Hydrant and watermain valve repairs as needed
